**Your Task**  
Update your current CV for one real job opportunity.

### Complete the task in 3 steps:

1. Choose one real job opportunity and identify its most important requirements and keywords.
2. Update your CV profile and at least one experience or project bullet using real evidence.
3. Check that the CV is clear, ATS-friendly, and contains no invented information.

### Simple Check Before Submission

The CV matches the job • Keywords are used naturally • Results are true and verifiable • The layout is clear and ATS-friendly

### Opportunity / Role Name

### One Main Change You Made

**What to submit:** Your updated CV and the job advert you used.
